

Unity Chords

C
Listen up
G
As we say
Am F
Our future's now it starts
today
C
Stand with us
G
Side by side
Am
As we respond to the
F
rising tide
C
We've been left
G
To do what's right
Am F
We challenge you with no
C
more might
G Am F
Ohhhhh

Chorus

F
You may be left
And think you're right
C
It's time to dance instead of
fight
F
You may be right
And far from left
C
Let's come together to
C7
stop this theft
F G Am
In the middle ground

We must be fair
F G
Our choice is made
C

To take the dare

Backing vox

G Am
Change is always possible
F
Cause we are
C
unstoppable x2

C
Standing rock
G
Made us tall
Am F
As we listened to the call
C
Now the youth
G
Planet wide
Am
Take a stand on our
F
mother's side
C
We'll earn more
G
By taking less
Am F
And now it's time to give
C
our best
G Am F
Ohhhhhhh

Chorus

F
The power is ours
It's in our grasp
C
To build a future that's gonna
last
F
So come from the left
Or from the right
C
We're here to dance and
C7
not to fight
F G Am
In the middle ground
We must be fair
F G
Our choice is made
C

To take the dare

Backing vox

G Am
Change is always possible
F
Cause we are
C
unstoppable x2

C
We're the ones
G
We've been looking for
Am F
As we open up these doors
C
Our time is now
G
What's past is past
Am
Let's build a future that's
F
gonna last
C
We the people
G
Will rise as one
Am F
Doing all that must be
C
Done
G Am F
Ooh oohhh

Chorus

F
Friday's here
To figure out
C
What our futures
Are all about
F
Our time has come
To make the change
C
Now we all
C7
Must feel the same
F G Am
In our middle ground
Given to share
F G
Make a future
C
For all that's fair

Backing vox

G Am
Change is always possible
F
Cause we are
C
unstoppable x4
